

RESPONSIBLE PARTY ACKNOWLEDGEMENT

The purpose of this document is to make the Association aware of your plans for your ownership(s) with the Ocean Forest Club, Inc. We are not sure if you know that your ownership(s) with the Ocean Forest Club, Inc. do not end upon your death or mental impairment. While we agree this is not a pleasant topic to address, none the less, we must.

We are asking that you share with us your current plan to pass on your responsibilities to the Association should you become unable to meet them. In the past we have experienced issues where an owner(s) has become disabled or death to one or both of the owner(s) and no path exist to assume the ownership exist in a predetermined form such as a will. The assumption of ownership passes to someone or a group of individuals who are unaware of their new obligation and we created issues that need not be. This is volunteer information on your part, but very necessary to your Association for the smooth transfer to those who will be inheriting your property. This included those of you who have entered a lease arrangement with the Association until 2021.

Please complete the following information and send it to the Association's Office in Charlotte, North Carolina at 1809 Wandering Way Drive (28226-5737)
